

RODRIGO G DE LA PEÑA LARRALDE

Chief Executive Officer (CEO)

Rodrigo de la Peña is an architect graduated from Universidad de Monterrey with a Master's degree in Housing & Urbanism by the Architectural Association (AA) in London, England. Member of the National Academy of Architecture, Monterrey Chapter. Passionate about architectural design and respectful for its surroundings. He has been professor and guide in distinctive universities like Tecnológico de Monterrey, and the University of Edinburgh, Scotland.

He started as an independent architect in 1987 with a focus on contemporary residential design. After completing his postgraduate studies, he entered the classroom teaching Architectural Design workshops to students at Tecnológico de Monterrey. In 2005, he founded RDLP Arquitectos, current commercial name of the firm, continuing with housing design and exploring new typologies. Currently the firm has expanded to develop renowned projects of multiple types such as Multi-family housing, commercial, offices and hospitality design throughout the country.

De la Peña has also been a lecturer around the world including PROURB in Rio de Janeiro, Brazil. Also, in 2015 his work was exhibited in Milan, Italy, as part of the exhibition "Hacer Ciudad", organized by the National Academy of Architecture, Monterrey Chapter. Recently, an exhibition was held at his alma mater, the University of Monterrey, named "In Progress", inaugurated in August 2017 showcasing the firm's development.
